

**CAT® LIGHTS**

## LED NECK LIGHTS

The innovative and sporty design of the CT7100 and CT7105 leaves you hands-free to work anywhere without irritation or stress to your forehead. Made of a durable and trustworthy ABS and nylon blend, these lights rest comfortably on your neck without leaving sweat marks and are easily cleaned. Both the CT7100 and CT7105 offer the ability to adjust the brightness level. Independently articulate the light heads up to 90° to create a wider beam. Their IPX4 rating means you can be sure your light stays on even if you are working in the rain or snow.

Indispensable for working on projects, camping, when the power goes out, and more. You will never run out of applications this light is perfect for.

## MULTI-FUNCTION HEADLAMP

The CT4120 Multi-Function Headlamp offers a solution to a wide variety of lighting needs. Extremely lightweight, it has three adjustable elastic straps for a comfortable fit. A touch of the power button provides a 250 lumen spot light. The next press switches the light to a 120 lumen flood light, to brightly illuminating your surroundings. A third press switches to a red LED for night vision, perfect for hunting and fishing at night. Lastly, the CT4120 offers a rear flasher to provide safety when out at night.

### FEATURES

- Functions:
  - › Direct Beam › Wide Flood Beam
  - › Low Light Red Beam › Rear Red Flasher
- Adjustable Angle Light Head
- 1 Year Warranty
